

CREATE YOUR OWN FUN GAME OF LITTLE LIVE PETS SNAP!

INSTRUCTIONS:

1

STICK:

Glue the back of the Little Live Pets Snap Cards print out sheets and stick down onto some thin card.

2

CUT:

Carefully cut around the solid red lines for each of the cards with scissors. (Ask an adult if you need help)

3

PLAY:

- Mix up all the cards and then split the cards up equally between players.
- Put your cards face down in front of you in a pile.
- The youngest player goes first and turns over the top card in their pile and puts it face up in the middle.
- The next player turns their card over and places it in the middle.
- If the cards both have the same picture the first person to put their hands over the cards and shout "SNAP" wins all the cards in the middle pile.
- If the cards don't match then carry on until you get another snap.
- The person with the most cards at the end of the game wins.
